Future Home of Sigma Chi Fraternity

Eta Xi Chapter of Austin Peay State University
Celebrating 50 Years April 28, 2023

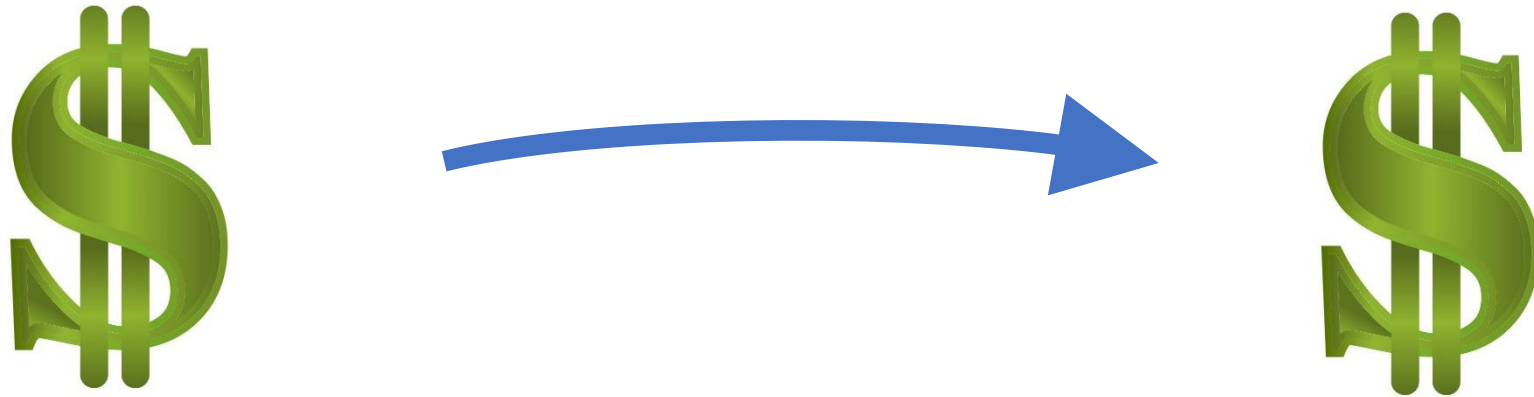

SPECIAL THANKS TO PAM POWELL | POWELL ARCHITECTURE

Ground breaking is planned for January 2022

*A key tool helping us pay for the new house is **ACH***

What is ACH?

- Short for Automated Clearinghouse
- A form of electronic funds transfer sent from one bank account to another

Brothers are using reoccurring ACH to contribute towards paying for our House:

The down payment – then for on-going monthly mortgage payment & home ownership expenses

How many are doing monthly ACH?

- Over 47 Brothers
- Totaling \$1663 each month
- Many had also made significant one-time donations

...for your
engagement
and support!!!

*Eta Xi has initiated 681 Brothers as of March 2021
... so 7% of our Brothers are participating*

What if?

... we could get 100 more Brothers to participate at **\$20** a month?

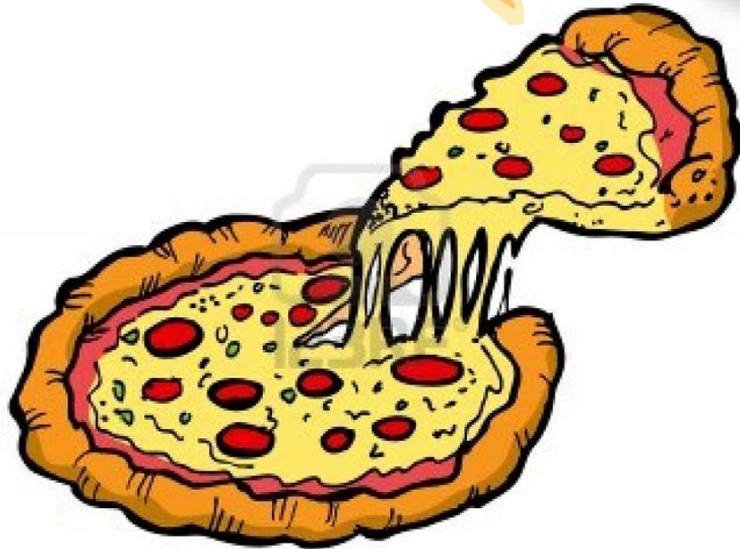

- $100 \times \$20 = \2000 additional each month
- $\$1663 \text{ current} + \$2000 \text{ additional} = \3663 in total each month

Why is this needed?

- *We will have a 20 year mortgage note we want to pay off early*
- *We need a contingency for any periods of less than full dorm room occupancy*
- *We need to build up an escrow account for future significant expenses related to owning such property; for example:*
 - *Interior painting in 5-7 years*
 - *New appliances in 10-15 years*
 - *New roofing shingles in 15-20 years*
 - *New HVAC in 18-25 years*

\$20 dollars a
month...

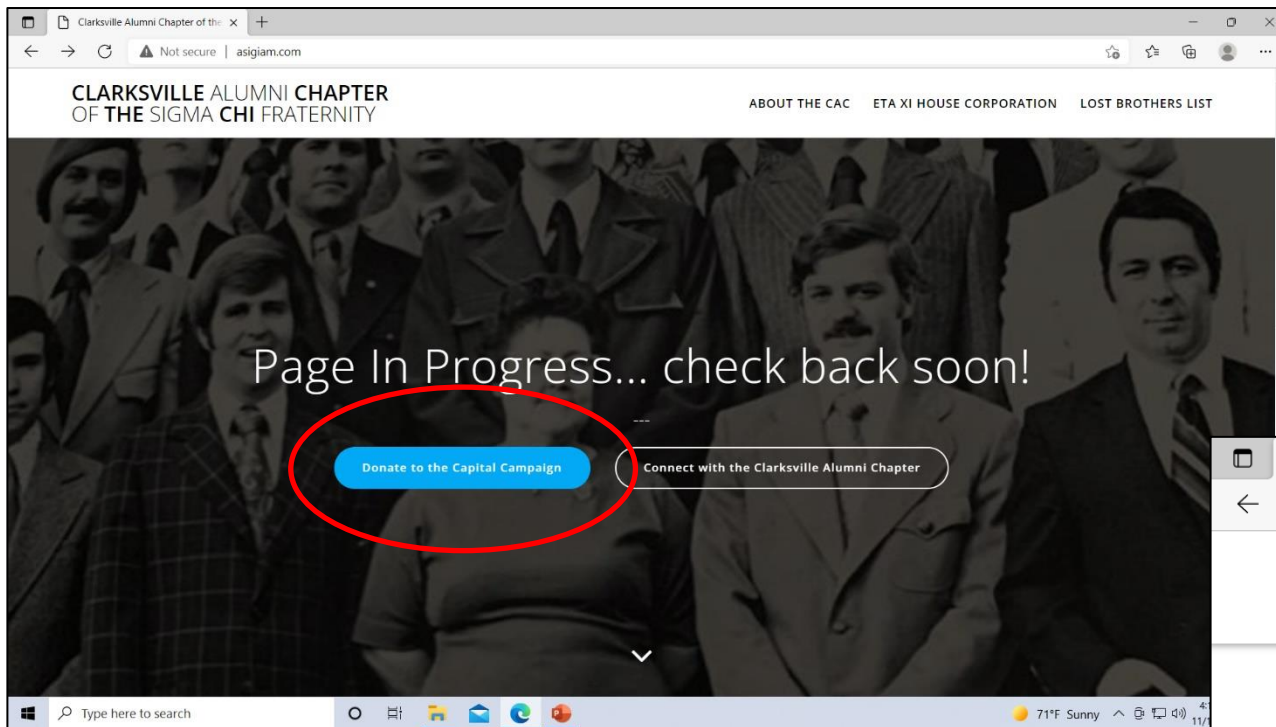

If you order in a
pizza for dinner
tonight, that will set
you back about \$20!
